The BMT InfoNet Patient Assistant Fund (PAF) assists patients and caregivers with living expenses during treatment.

Grants are $100-$200. We cannot accommodate larger grant requests.

Who is eligible for Assistance

- Patients who had an autologous transplant, an allogeneic transplant with a related donor or a haploidentical transplant within the last 12 months
- Allogeneic transplant patients, regardless of donor type, who are 12-24 months post-transplant and are receiving ongoing medical care for chronic graft-versus-host disease
- Patients who have undergone CAR-T therapy within the last 12 months
- Patients who have not previously received a grant from BMT InfoNet’s Patient Assistance Fund

Application Process:

- Application for funds must be completed by a social worker or transplant center personnel who certifies that the patient is in need of financial help
- Please wait until day one of transplant prior to submitting application
- ALL sections of the application form must be completed in order to be considered
- If you have questions, please call 888-597-7674

Evaluation/Decision

- Patient and Transplant personnel will be notified via email when application is received.
- Fully completed applications will be reviewed within two weeks of receipt. Incomplete applications will delay review.
- Applicants and transplant personnel will be notified via email of the decision following review.

Disbursement of Funds

- RECENT CHANGE TO PROGRAM: Funds will now be dispersed in the form of a check made out to the patient or caregiver and mailed to address indicated on form.

Please complete the following application with as much detail as possible with the patient/caregiver. Failure to complete the application in full will result in delay of review and funding.
