Our Mission

Blood & Marrow Transplant Information Network (BMT InfoNet) is a non-profit organization dedicated to providing transplant recipients, CAR T-cell therapy patients and their loved ones with emotional support and high quality, easy-to-understand information about bone marrow, stem cell and cord blood transplants and other cellular therapies.

Whether you are just beginning the transplant journey or learning to manage the joys and challenges of survivorship, BMT InfoNet is here to help you every step of the way.

Get Emotional Support
Our one-on-one Caring Connections program can link you with someone who has been through transplant and is ready to listen to your concerns.

Whether you’re the patient, caregiver or another family member, our trained volunteers are ready to support you through the transplant experience.

I don’t know how I would have gotten through my daughter’s transplant without the help of a Caring Connections volunteer. She really understood what I was going through. Caroline W.
